

Dear APSID members,

The application deadline for APSID fellowship 2024/2025 has been extended to **20 July 2024!** This fellowship provides 3 to 12 months of training for fellows in the clinical or laboratory diagnostic aspects of inborn errors of immunity. All current APSID members are eligible, and applicants may apply to any of the 3 APSID centres for excellence (COE):

1. Pediatric Allergy Immunology Unit, Department of Paediatrics, Advanced Pediatrics Centre, Postgraduate Institute of Medical Education and Research, Chandigarh, India
2. Joint COE: Department of Immunology, National Centre for Children's Health, Beijing Children's Hospital, Capital Medical University, Beijing China Paediatric Immunology, Allergy and Infectious Diseases Department of Paediatrics and Adolescent Medicine, The University of Hong Kong, Hong Kong, China
3. Department of Paediatrics, Graduate School of Biomedical & Healthy Sciences, Hiroshima University, Hiroshima, Japan

Applicants have to approach a mentor in the COE of choice and complete the application form with the mentor. Applicants are required to send the application form, complete CV, draft project objectives and plan, and letter of support from the head of department to [apsid@hku.hk](mailto:apsid@hku.hk)

Attached is information regarding the centres of excellence, and the application form. More information can be found at
